Reflections of a Bygone Day —

NOW

This is 1971 – the NOW year –

Times have changed. The old is gone; the new has come. This is the year that saw an increased enrollment at ECJC – 622 strong.

Registration week was packed full of fun, good times, long lines, time consuming work – memories to last a lifetime.

There were the pep rallies, the bond fires – card games in the Student Center, cook-outs on the mall. There were the ballgames. There were the parties, dances, elections and homecoming – one great big wonderful year!

The NOW Year

1971

"From rags to riches–

"A Cinderella team" –

That's how the newsmen were describing the Warriors. From a 1969-70 winless season to North Division Champions, the Warriors fought long and hard to capture that title–

On to the Magnolia Championship play-off–beaten by Pearl River but still champions!

The NOW year––

The year for the unusual!

The year for the spectacular!

1971

Registration —

A dirty word to any student—

long lines, closed classes, tired teachers, weary students – but there were good times, too.

The students met the faculty—the faculty met the faculty.

Miss Barber

Mrs. Young

We, the 1971 Wo-He-Lo staff, proudly dedicate the 1971 WO-HE-LO to Miss Erma Lee Barber and Mrs. Myrna Young for their untiring and unselfish devotion to East Central Junior College.

Times change. People come and go. Each girl who has come to East Central in one way or another comes in contact with these lovely ladies. Not only young ladies, but young men have grown to love and respect these housemothers through the years.

With the passing years these ladies have shared of their experiences with coeds who have lived in the dorm with them. Each has served as a guide and counselor to "her girls."

It is with geniune pride and admiration that we dedicate this annual to these two outstanding ladies.

Engineers' Creed

As a Professional Engineer, I dedicate my professional knowledge and skill to the advancement and betterment of human welfare.

I pledge—:

To give the utmost of performance;

To participate in none but honest enterprise;

To live and work according to the laws of man and the highest standards of professional conduct;

To place service before profit, the honor and standing of the profession before personal advantage, and the public welfare above all other considerations.

In humility and with need for Divine Guidance, I make this pledge.

Women's Council

SEATED, left to right, Regina Roach, Judy Clark, Jan Dennis, Susan Shoemaker; STANDING, left to right, Cindy Cornelius, Wanda Duke, Nancy Carol Gardner, Brenda Ellis, Melinda Stewart, Brenda Wolfe, and Judy Winstead.

The Women's Council is sponsored by Dean of Women Erma Lee Barber and is composed of both freshmen and sophomore women for the purpose of fostering good relations among women students. The Council sponsors religious programs, dormitory parties and parties for special occasions, as well as being a disciplinary body.

Men's Council

The men's council is designed to promote democracy on the campus by training the students in the practice and principles of self-government, as well as to maintain the highest standards of honor. The council members work directly with fellow students in keeping the dormitories comfortable and attractive.

Members of the men's council are Thomas Toney, Neshoba Hall; Glenn Dennis, Cott Hall; Jamie Veazey, Scott Hall; Harold Scott, Todd Hall; Joe Lee Anthony, Todd Hall; and Chuck Sampsell, Winston Hall.

In the above picture three of the council members take time out to discuss problems with Dr. Charles Wright. The men are waiting their turn to talk to the president.

For a team that suffered a losing season in 1969, the Warriors made a come back in '70 with a 5-1 conference record and a 7-3 overall record. On December 4, 1970, the Warriors, North Division champs, played Pearl River for the Magnolia State Championship. Although the Warriors were defeated, they certainly made a record for themselves during the '70 season. Coaches for the Warrior team are Ken Pouncey, head coach, and Teeny Coats. Both men worked with the team members to make a Warrior team that the entire student body can be proud of. GO WARRIORS!

Outstanding Team Members

Highlights from the games***

The Warriors opened their 1970 season with a bang! The Warriors were victorious, 34-30, against a slightly larger team from Jones County. The momentum of the Warriors and their fans increased as the game progressed.

The Warriors continued their winning streak by defeating Itawamba 16 to 9 in a tough game on the road. With 1:23 left Itawamba threw the bomb and got a touchdown but there was a flag on the play which charged Itawamba with holding and they were penalized 15 yards. Itawamba threatened again by Billy Barham intercepted an Itawamba pass with 42 seconds left. At this point tempers seemed to flare up. Warrior quarterback, Bagley, then ran the clock out and East Central won 10-9.

The Warriors defeated Northeast 52-15 during Homecoming Activities. The future looks bright for the team—certainly an improvement over last year's season.

Warriors to play Pearl River Dec. 4 for Magnolia State Championship on Warrior Field.

This was truly the NOW year in athletics. Although defeated for the state junior college championship, the Warriors proved themselves a tough team to defeat. The NOW TEAM!

DEPARTMENT OFFERS VARIETY

The East Central Junior College Vocational Programs are designed to prepare the student to learn a trade within the specified time. A certificate is issued upon satisfactory completion of one of the programs. Many job opportunities are available to those who complete one of the programs. Classroom activities in each vocation and related fields as well as actual shop experiences are given each student. Vocational programs include Auto Mechanics, Body and Fender, Electricity, Refrigeration and Air-Conditioning, Machine Shop, Radio and Television Repair, and Welding.

Students are given an opportunity to experiment with projects such as the one Ernie Wilkerson conducted. After completing the blueprints for a house, Ernie constructed a model of the house and showed the wiring and piping in detail. Ernie is in the architectural-drafting program which is also under the vocational-technical department.
